Mouthwatering

Sasha's dog has gone missing and he's been looking around the neighborhood trying to find him. But when he knocks on Franchezca's front door, he gets more than he bargained for. She answers the door in her skimpy, but very cute, bra and panty set. After composing himself, he asks if she's seen his dog running around the area. She says she hasn't, but she'd be happy to help him look.

Franchezca Valentina

He agrees, but she says she'll go only if he does her a favor first. He agrees again and she leads him to the big sofa in the living room and takes off her bra and panties. After sucking on her pretty boobs and fucking her hot pussy, they get dressed and head outside to look for his lost puppy. Ah, neighbor helping neighbor is such a beautiful thing.

*I'm Rilee and this
gorgeous blonde woman is Claudia.
Her English is not too good so she needs
some special lessons. Cum on in
and see how she does...*

Claudia came over to Rilee's place for some English lessons. She's only been in the States for a short time and it's a must to get along. Rilee lived in Italy for a while so she know's the language pretty well. When Claudia arrived, she asked Rilee if American women have sex in the same way Italian women do. But that surprised Rilee because

Claudia Valentine & Rilee Marks

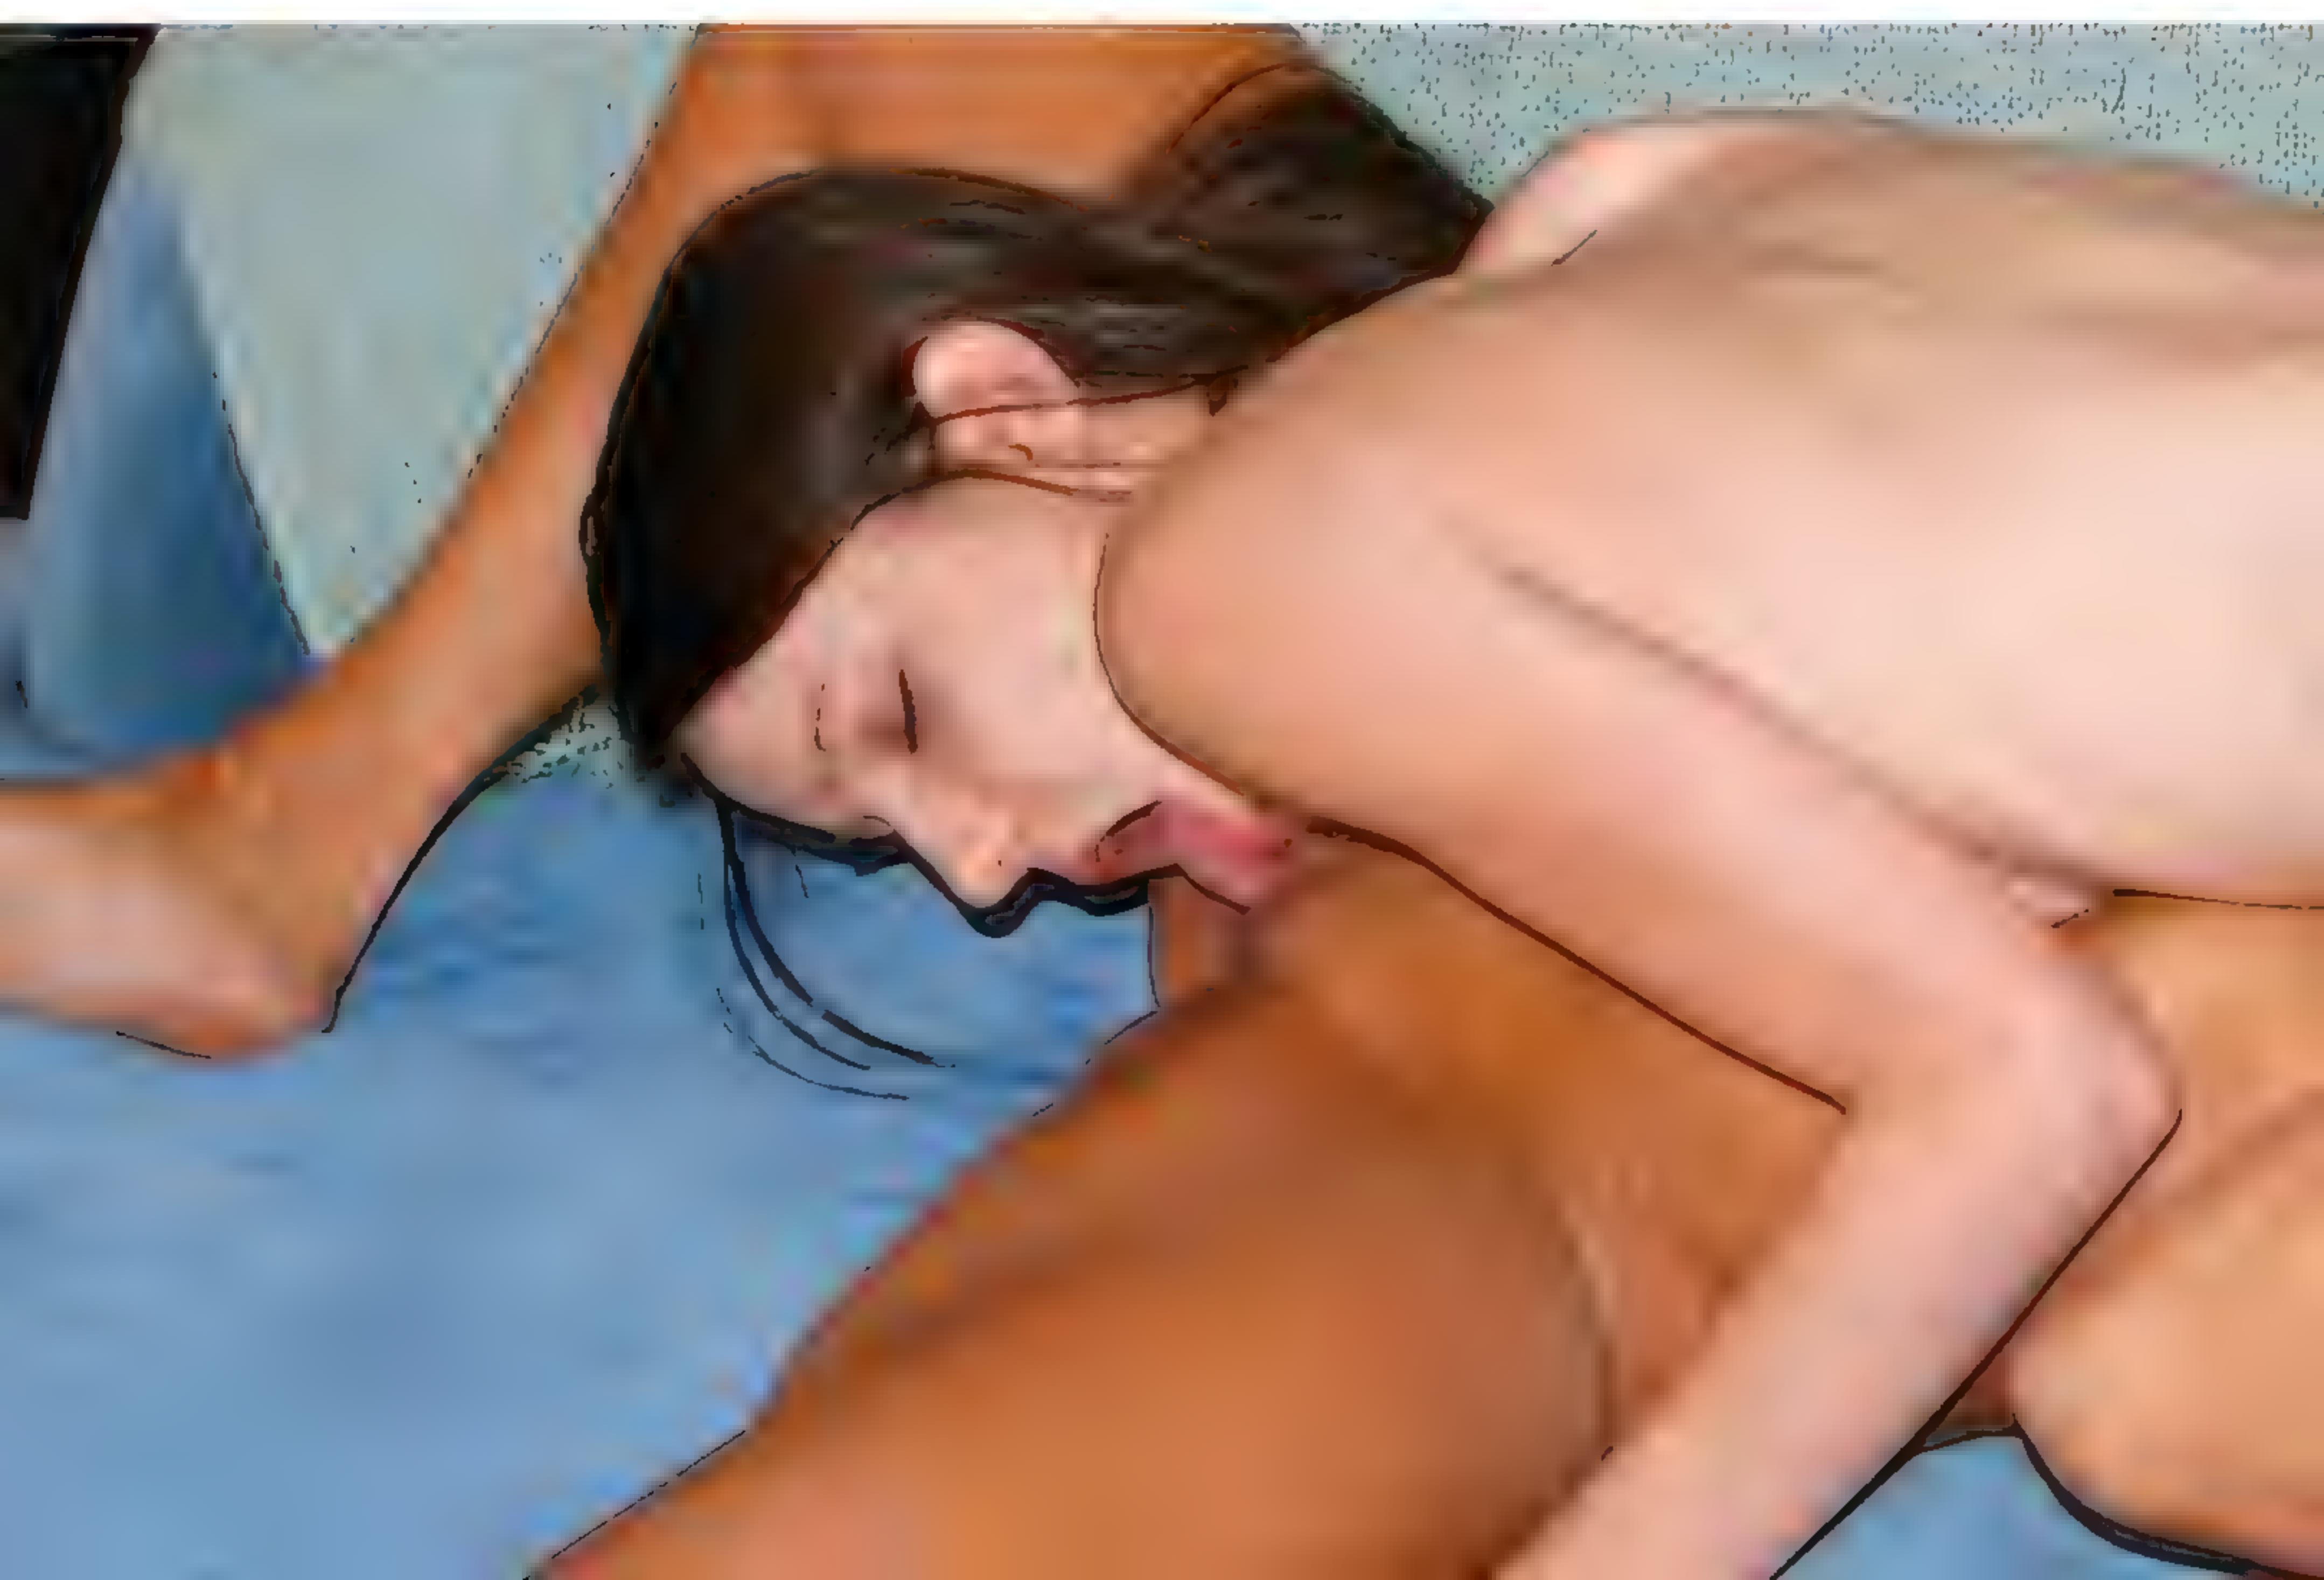

she thought Claudia was coming over to learn about nouns and verbs, not birds and bees. After a few minutes of pushing Claudia away, Rilee thought to herself, 'Sex is the universal language and it's probably really hot to fuck a woman that doesn't speak the same language as me.' So Rilee gave in to Claudia's advances, and her amazing boobs and body and settled in for a day of lesbian licking and loving like she has never had before. Maybe next time, they'll actually get down to lessons.

BATHROOM BUNNY

I do not have great story for you but I'm writing this letter because my husband and I are avid viewers and lovers of porn. As a woman, I was hesitant about reading adult magazines until one day when he inadvertently left an issue in the bathroom. I have to admit that I love seeing the women in your photos. They seem to have a confidence about them. Sex looks like a joy, not a hassle.

LAYING DOWN THE LAW

As a uniformed security guard at a swanky Southern California golf and resort property, my job is to ensure that the resort's patrons are safe, enjoying themselves, and don't do anything wrong on the property. Usually my nights are pretty quiet and tonight was no exception. I went outside during my break and I heard what I thought were female voices moaning and groaning just up over my head. I took a few steps back and saw two twenty-something ladies had gotten carried away on the second floor balcony of the hotel. It was a warm night and they had been sitting outside and apparently both had been drinking and started kissing in the moonlight. I watched quietly as one thing led to another and soon they were both pretty naked.

KRISTAL'S METHOD...

I've always been infatuated with Kristal Summers. She's a fantastic looking specimen of femininity – and just a wild sexual animal to boot. She's a vixen in women's clothes and a wildcat out of them. Her boobs are the dreams of chest men and the fact she loves it up the ass is a testament to her lust for cock. Our generation is blessed to have a woman like this that we can watch have sex in her own

way, loud and screaming, and then swallow men whole.

• Jon, Pennsylvania

They get me hot and by the time I finish looking them I have to masturbate right away. So I sat on the toilet with no underwear on and slid my hand down there. I had the magazine on my lap and found myself cumming after only a few minutes. My husband doesn't even get me off that fast. Darn, he's at the door. So keep up the great work, and please don't change a thing.

• Gayle, Florida

Of course, this was a violation of hotel policy so I went up to their room... 21B. I knocked hard on the door figuring they were still on the balcony. They stayed silent hoping I would go away. Five minutes later I opened door with the help of a master key and found both of them sitting on the bed, naked. When I entered, they knew they were in trouble. "I'm Officer Burke," I said as I introduced myself. I explained that I had seen them kissing and fondling each other on the balcony. I told them they could be arrested and charged with public indecency and lewd and lascivious behavior.

They looked at each other. 'Isn't there

anything we can do to change your mind, Officer Burke?" the blonde asked softly as she played with her long blonde hair.

"I'm Kelsey." she said as she stood up giving me a great view of her spectacular body as she slowly walked over to me. She had perfect firm C-cup boobs, a flat stomach, full hips and a great round ass. She stepped up next to me and ran her hand up my chest and grazed her fingernails along my earlobe. I stood there and let her slip her hands under my shirt. Then, to my surprise, she slowly unbuttoned it, took it off me and dropped it to the floor. Kelsey fell to her knees and pulled down the zipper as I unbuckled my belt and unfastened my pants. She pulled my pants down and took my rapidly growing cock into her small hand.

I looked on as she started licking my hard cock like a sucker. I looked over at her friend also naked on the bed and motioned her over. "Don't you want some of this, too?" I said to her. "Get over here and help Kelsey." It was not a request but rather an order. Kelsey looked up at me and nodded as she continued to lick my big dick. I could sense they did not want to go to jail, and certainly not for a sex crime. "Come on girl." I said in a deep baritone, "Stop hesitating and start sucking." She quietly knelt beside her girlfriend. Kelsey pointed my big dick at her mouth as a lust filled expression overtook her pretty face. "Do it baby." she said to her friend. Her voice was thick with lust as she stared at my cock just inches from her mouth.

"You heard your friend." I said. "She obviously wants to see you with my dick in your mouth." She tentatively reached out and touched my big hard cock with her hand as Kelsey groaned her approval. She felt my hardness as blood coursed through the shaft and up to the bulbous head. A drop of precum drooled from the tip and she stuck out her tongue to taste

it. Kelsey put her hand on the back of her friend's head and gently pushed forward, guiding her mouth to my big throbbing rod. She again stuck her tongue out and licked more precum from the head as Kelsey moaned loudly as she lowered her head to my ball sac. Kelsey began to furiously rub her slick wet pussy. Her lips parted wider as she took my cock in my mouth. Meanwhile, her girlfriend's tongue ran along the ridge of my long, hard shaft as precum continued to leak steadily from my big flesh torpedo.

It seemed like both ladies were beginning to enjoy themselves as their heads bobbed over and under my engorged cock. Their lips were stretched wide and their hands were wrapped tightly around the slippery shaft. "You like it, don't you ladies?" Kelsey whispered to her girlfriend as she noticed the enthusiasm with which she was sucking me. "You like having a cock in your sexy mouth, don't you baby." She wrapped her fingers around my hard dick and stroked it as she continued to mouth-fuck my big cock. Her head bobbed over it and her hand pumped my rock-hard shaft as they both worked furiously to make me cum. "Your girlfriend is quite a cock sucker." I said to Kelsey and all she could do is moan. Her lust had overwhelmed her as

CARMELLA'S COCKS

What possesses a woman to want to fuck four or five cocks at once? What possible joy can she get from it? I can understand if it done for a photo shoot or a video,

but how realistic can it be?

Now I can understand two guys at once and maybe even three, since there are three holes to fill. But what can be done with four, unless one guy has to wait his turn or they are tag-teaming the woman? Still, it's fun to imagine even if I would never do it!

she furiously rubbed her engorged clit with her left hand while her right hand stroked and squeezed my thick cock.

"I'm getting close," I grunted as she massaged my balls with her free hand. "You're going to swallow it all, aren't you?" She moaned around my cock as her hand pumped it faster and faster. I knew she

wanted me to fill her mouth with my delicious cream. She was wanton with desire as she sucked my hardened cock. My balls tightened in her hand and she took my cock down her willing throat as I started to spurt. I could see her eyes water as she deep throated my spurting

dick. My thick creamy goo slid down her throat as she gulped and swallowed what she could. I came hard and shot copious amounts of cum into Kelsey's mouth and down her girlfriend's throat. I watched as my man-juice filled her mouth and ran down her chin despite her efforts to swallow it all.

I pushed her off my softening dick and walked to the bathroom without saying a word. When I came back out, Kelsey pushed me down on the bed and straddled me while her friend grabbed my cock and made it hard again. She held it and guided it into Kelsey's pussy who rode me hard to a body shaking climax. Her tits bounced and she screamed out in ecstasy as her pussy contracted around my spasming cock.

Kelsey collapsed on top of me as her climax subsided. My cum covered cock softened inside her as we lay on the bed. Her girlfriend reached over and grabbed my softening cock and began licking it again. I did not know if she liked sucking cock or just wanted to taste Kelsey's cum on my dick. In the end, it didn't matter. I went back to the bathroom and cleaned up. I got dressed in front of them and told them to keep their affair away from the public. I headed for the door, opened it and looked back at them.

"Thanks for the fuck, ladies. If you want more, here's how to reach me." I said breaking out a huge grin as I tossed a business card on the chair and walked out the door. I went back to my beat and as I went outside, I looked up to their balcony and there they were, waving to me. Immediately I went back to the room and reprimanded them again for their nudity! I'll be there for a while.

VANNAH'S NAKED

I've been a loyal fan for many years and am finally getting around to writing a letter to your magazine. I've seen many starlets go through changes over the years, but one thing has remained the same: the great looking ladies I see in print every month. I especially like the boy-girl and girl-girl pictures. It's nice to see older people doing things most of us only can dream about.

To that end, I just want to comment about Vannah's pictorial. I love full chested women and she is the cat's meow. Her enthusiasm for sex at her age made me crazy hot. Over the years, I've stroked off many a time to men's magazines, but this one has to be right up there with my highest numbers.

If you could find it in your heart, and in your library, can you print just one more picture of her. It doesn't have to be a sex shot, just something that when I'm looking at the next issue, I'll see her photo and it will remind me of her in the last issue. Thanking you in advance for the pic.

Although she's experienced with men, it's been a while since two cocks stared her in the face and demanded her mouth's attention. But that's only the beginning. They still have her pussy and ass to fill, and they promised to make her cum at least four times. That's two times for each cock. When they finish, they know they've just tasted a little slice of heaven.

EJM AND COSPLAY WITH ME

Cosplay conventions are a lot of fun and draw a quite diverse crowd. I've been doing them for a few years now, but none would be as memorable as this one.

It's mid-August in hot and humid Baltimore and one of the largest cosplay conventions is in town. Cosplayers from all over the world are here, some 6,000 costumed guys and gals all dolled up, some literally, some figuratively. My daughter got me into this scene about five years ago and I love it. It has given this 41 year-old divorcee a new life of interest and fun. I actually look forward to these events and do about three a year. Like most cosplayers, I make my own costumes, from superheroes to anim  characters to whatever my imagination fancies. This year I've had my outfit planned for several weeks and have been buying bits of stuff till the whole costume was ready. It's bright red vinyl like the comic book character with long straps coming from the neck down to my crotch.

Because there may be minors at the show, it does not dip too low in the crotch, but I do like my belly button exposed and have a cute bat ornament dangling from there. The starched white collar is pinned in the middle with a little bit larger bat, and my stiff white cuffs have bat cuff links. Of course, I have the prerequisite black wig with long bangs, bat earrings and overdone red lips. A girlfriend who works in the movies in LA found me some mid-thigh high red fishnet stockings to complete the outfit. I also made a long cape, but because of the heat, it may have to stay home – or at least in the car.

The show starts in a couple hours so I have to start getting ready. I jump in the shower, in and out in just a few minutes. I oiled up and carefully, strategically placed some red and silver glitter all over. Since I don't tan, my skin is already a pasty white and contrasts nicely with the costume. I have full boobs that got a bit of an enhancement several years ago so they stand up perfectly under the thin straps that barely cover my nipples. I have to tape the straps down so I don't have a wardrobe mal-

function during the show. I admire myself in a full length mirror, checking out every inch of me. I turn around to be sure my still-tight butt it at least PG-rated, and it is. As usual, I get my cell phone and snap a dozen or so selfies to remember me for later.

About 4 pm the door bell rings and my taxi ride arrives. I decided to bring the cape to cover me and to hold my driver's license, tickets and stuff. I had sewn in a couple large pockets just for this type of situation. I arrived at the convention center a half an hour later and it was decorated with large posters of cosplay and anim  characters. Huge banners announced the show and throngs of costumed people stood in lines to get in. The cab pulls up and my friend Troy was waiting for me. He opened the

cab door, held out his hand and I took it to get up and out. Troy told me I looked spectacular and took my cape. In a large swirling motion, I rolled it around like a bull-fighter and it seemed that suddenly all eyes turned to look at me. I did look fantastic. Troy took my cape, found the tickets and we headed for the entrance.

Did I mention that Troy was dressed as Nightwing, the grown up Robin from the Batman saga. Troy's perfect, well built with wild hair and the skintight blue and black

costume with bulging muscles made him quite the hun-ky sight. We walked down the main aisle, heads turn-ing, to the adult superheroes gallery and entered the hall through a screen of dry ice smoke. All eyes turned to us once again and we stopped a few feet inside the smoke screen and hit some sexy poses, hands on hip, legs shoulder width apart and working it. I looked around to see who I knew from previous shows. In reality, I'm a very shy person, but dressed like this, I love knowing someone, no everyone, thinks I'm hot, and tonight I am.

I spotted a couple of girls I knew and Troy saw some others he knew so he asked, was I okay and off he went. I also spotted a few more fit guys in superhero costumes, and some not so fit, but trying their best. I thought to

myself that it could be a good night after all. There were people walking round with drinks and a bar in the corner since this was an over 21 venue. I decided I should go walk about to see what was going on. I met people I knew on the way and kept getting introduced to many new people. My chest was stared at constantly and my butt was pinched a few times on the way through the hall. That made me secretly smile.

Then a guy dressed as a black butler caught my eye. He came over and introduced himself and mentioned he was the MC for the show. His look was fantastic and the music was heating up. A lot of people started to dance. That was quite a sight, dozens and dozens of male and female superhero characters gyrating to techno-pop music with colored strobe lights making it even more weird and intoxicating. After a couple of hours and several watered-down drinks later I was getting a little tipsy. That's when G.I. Joe walked over to me with a drink in hand. We started talking and then danced to the music which had now changed to a more soft and gentle mood. Joe was dressed in camo with dark aviator sunglasses and heavy duty combat boots. As rough as he looked, his hands were soft on my flesh as we danced.

After the second slow song, I found myself telling him I wanted to get some air and he said come with him. He took my hand and we navigated our way through the crowd to a door that opened to a stairway. I was swaying a bit as I walked up the first few steps. Joe noticed and then his hands came to my hips, I could feel he was a strong guy and his hands guided me up the stairs. We went up only one flight and he opened the locked door. I asked how he did that and he said he was head of security for the show. He then pointed down the dimly lit hallway to a door that opened into an office. As we walked the short distance and into the room, I felt his hands on my waist helping me walk.

He walked over to the small sofa and took some clothes from it and put them on a chair. He kept a shirt which he put on the sofa and offered me to sit down. I did and then he came over and told me how sexy I looked. I smiled and he smiled back moving in closer to kiss me. My breasts were heaving with anticipation and Joe walks behind the sofa and starts kissing my neck. I move my head over allowing him to kiss more of my neck taking gentle bites but not hurting me. He kisses my shoulders

and I'm getting very aroused. I feel his hands slide down my chest and cup my breasts. I lean back and he pulls the straps aside releasing my breasts and exposing my excited nipples. His hands pull down the straps and they fall to the sofa seat. He comes around to the front and offers his hand to help me stand, I do and he pulls the skimpy costume off me and lets it fall in a red vinyl tangle to the floor.

He takes off his sunglasses and pulls off his shirt. I reach to help with his pants, but he has them off in ten seconds and I see a magnificent cock spring up right in front of me. It immediately stands to attention and Joe knows I want to be fucked and he wants me. He pushes my legs apart and stands between them. He then leans down over me, kissing me as his hands cup my breasts. His mouth goes straight for my nipple, sucking on it. I wrap my legs around his waist and his hand reaches between my legs finding my pussy. He feels my hips responding to his touch. My ass gently moves up and down as his mouth reached my pussy. He's licking me and then pushes two fingers inside me. I'm moving more now my hips are lifting up and down now to his touch. I want to feel his cock inside me.

I want to be fucked so bad. Joe wants to please me so he puts his cock to my pussy. I feel the tip at my opening and I wrap my legs tighter around him so it pushes inside me. He pushes deep and hard knowing I don't want just a gentle fuck. I want to feel it fill me, pleasure me. He's pounding my pussy. His cock is deep inside me pushing hard and deep. My breasts are bouncing and he finds one of my nipples making me moan loudly. He sees and hears me cumming. My pussy's nice and wet and he's slipping in and out much easier now.

He pulls me forward on the sofa seat and so he can reach my ass with his fingers. Joe finds my hole and inserts a finger inside me to see how I react. My expression tells him that he likes it. He pulls his man-meat out of me and then flips me over onto my belly and pulls me up on all fours. He starts again by sticking a finger back into my butt hole and two inside my pussy and starts finger fucking me I'm pushing back now and the effects of his fingers capture my passion.

I want his cock inside me, fucking my ass hard and deep. He's not the kind of Joe that needs telling twice and he pulls out his finger and replaces it with his hard cock. It's tight and hot and he moves cautiously at first, then as he gets further inside I begin moaning like a mad woman. He pushes that monster deeper into me until my ass has taken all of it. It's gotta be tight but I know Joe loves it. I start to cum again and he grabs my shoulders pulling me back up onto that hard cock of his. He tells me he's going to cum and I'm screaming for him to do it. I feel his hips moving faster as he thrusts deep a few more times and I reach back to feel his balls tightening – and then shooting warm gush after warm gush deep inside my anus.

Joe collapses on top of me and I feel his cock soften and retreat from my butt hole until it plops out. I stay in that position for a few minutes as my body catches up with me. Joe and I both know that I can't put my costume back on at this point, so Joe gives me his fatigues and he dresses in the street clothes he had thrown off the sofa when we came into the room. Finally dressed, we slowly make our way back into the show amidst curious stares and glares. But I don't care. I did my patriotic duty and got fucked in the ass by G.I. Joe. Can anyone else here say that? They can't, can they, Joe?

REINVENTED

*They say that 40 is the new 30.
I really don't care. Do you?
Look at me. A year ago I was
selling cheese in Wisconsin with
a hairy bush and a minivan.
Now, I'm an all new person
ready to take on the world.
Say that you're ready for
me and more like me?*

Scintillating

Linda wanted to do a little something special for her man. She made a delicious dinner with his favorite wine, and fantastic Bananas Foster for desert. And when passionate embrace turned to erotic interlude, she knew exactly how to make the most of it. Taking his cock in her hand, she stroked him until he was hard as a rock. Then lowering her lips to the tip, kissed it lovingly

Linda Brown

and then proceeded to give him an unforgettable sensual blowjob. In return, he brought her to her own incredible orgasm by licking and kissing her pretty pink pussy. When it was good and wet, he then plunged his cock deep inside and fucked her passionately. Finally, Linda spread her perfect ass cheeks to take him into her tight ass. They fucked the night away and the two shared one more incredible climax. The dishes will wait until morning.

HOT GIRL-ON-GIRL ACTION

Sensual

After a hard day at the office, Rick just wanted to relax in front of the TV when he got home. But a little tender affection from Andrea quickly got his attention. After dropping his briefcase on the floor, he slowly stripped her clothes off, exposing her perky boobs, long slender legs, and sweet pink pussy to his probing tongue. The erotic energy in the air

Andrea Jaxxx

drove her to give him an exciting and slow blowjob with his balls getting their own licking. Andrea then decided to give all of herself to him, opening up to take the full length of his shaft deep into her wet pussy until he couldn't contain himself for a second longer. Then he finished with a large blast from his cum gun onto her face.

I always used to think that I should be the perfect wife. I was into taking the kids to soccer games, baking cookies, wearing stockings for my husband, painting my fingernails red (well, I still do that) and Twittering all my girlfriends almost every day. Now things have changed – a lot. Oh, I’m still with my husband, but ever since I had a little tryst with one of my co-workers, my sex life at home has

Barbie

been much, much better. My hubby has not asked about my change in sexual appetite, and so far, I have not heard any complaints. I learned that I like to suck big balls, deep-throat a cock, swallow, finger-fuck my own pussy... and I may let my husband fuck me in the ass sometime soon. Until then, I’ll enjoy my new-found sexual energy and hope that he notices. If not, there are plenty of co-workers just waiting to get into my pants.
